OFFER**

THE RE-CRUITER COMPANY WAS CREATED TO HELP COMPANIES

Are you recruiting new employees, but the process has been taking too long? Do you need to complete an order, but you are short of employees?

We have good news – we can change it.

Re-cruiter is a company that specializes in hiring employees and delegating them to work all over Poland for 4 years. Our solutions are individually tailored to the clients` needs. All activities are based on the analysis of the needs of a specific company.

A great advantage of our company is the administration of employee documentation. We deal with salary calculation, reporting to ZUS and PUP.

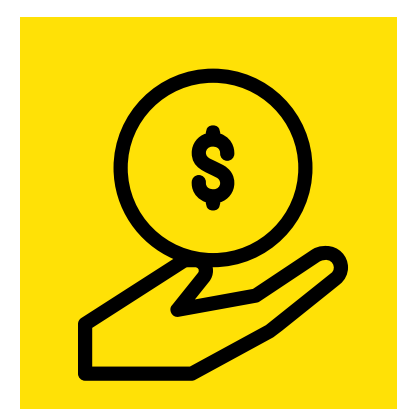

**Customers who
work with us get:**

Lowering the costs of employment of employees

Staff departments relief

No costs of recruiting and selecting personnel

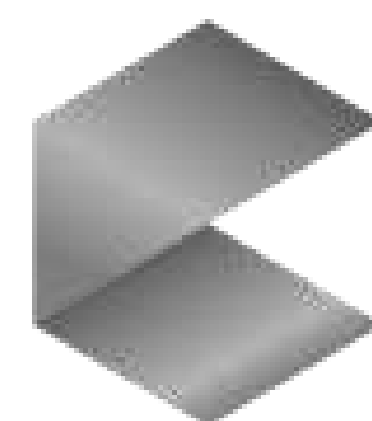

**Decreasing of obligations with regard to:
contracts, ZUS, insurance, issuing PIT, keeping
an attendance list, payments, medical
examinations and health and safety.**

**Free time they can devote to developing the
company's strategy.**
